
Publication

Open Access is a publication model that makes research outputs immediately and permanently accessible online, free of charge.

Green Open Access: the author publishes hers/his article in a journal and at the same time makes it accessible in an open archive; suitable open archive maybe found on OpenDOAR;

Golden Open Access: the author publishes hers/his article in an open peer reviewed journal (in case of some journals there are article processing charges – APC); suitable open peer reviewed to publish in oyu may find in DOAJ.

More infromation about Open Access, predatory journals and publishers, European Comission politics within the frame od Horizon Europe and politics of Charles University can be found on the web of the [Central Library of Charles University](#)
